A FRESH TAKE ON CLASSIC

Thoughtfully designed pieces that capture the heart and imagination of style aficionados.

Caracole Classic was born of our vision to create a furnishings line that was playful, full of personality, and offered an exciting value for high-style furniture. To this day, we continue to be known for our use of unique materials, finishes, and fabrics. Our emphasis is on design individuality while also addressing whole room environments through an eclectic lifestyle approach. We strive to create a unique genre in furniture design: distinctive pieces for every room of the home that are sophisticated, refined, and creative.

Designer Tip

Create a spacious, airy aesthetic in a room by choosing furnishings with open bases. Unbroken planes of sight allow the eye to travel without interruption, creating the feeling of expansiveness.
